Steele Circulation and A/V Notes for Board, August 2019

It has been a brisk month for Circulation, as Summer brings in a lot of traffic and training continues amid staff vacations. All of the new employees have received the training on Sexual Harassment through NYS.

We also said Good bye to our Summer Youth employment worker, Zack, who helped us tremendously in the recasing of our movie collection, this is a time consuming, ongoing project. 22 new accounts were sent to Collections this month and Unique shows in their monthly account updates that there were \$225.85 in dollars received last month and \$373.95 in materials returned for the month of August.

Workshops/Webinars/Meetings:

Janet attended the Dept. Head Meeting on August 6.

Janet, Stuart, Sue, Emma and Amanda Zell attended a Circ. Clerks meeting on August 14.

Notes left in the Suggestion box this month:

"Best Library Ever. I live in Vestal, NY and my daughter takes ballet lessons in Elmira, so I always wait here doing some work for the last 9 years. This is the best, clean, friendly, well organized place. I like the little snack and cell phone area. They know what we want, I truly appreciate this place. Thank you so much."

"Suggestion: Up to date movie lists, mainly any newer of the present month and week that are shown released: Amazon, Netflix, Google, AOL and Microsoft as advertised."

(I think this patron may be requesting lists of newer released movies and streaming TV shows, etc. be posted, the handwriting was a bit hard to decipher. I will try and post monthly via my blog offering what our latest releases are.)

Office of the Director, CCLD April 2019

Major accomplishments:

Teen Space: Follow-up with AJH Designs to see who is responsible for fine-tuning the environmental controls. It was determined that, due to Chemung County B&G working on the system that they will be responsible for work getting the temperature regulated. Follow-up with Sedgwick interiors to ensure the acoustic tiles were ordered.

Exterior Sign: The sign project was presented to the City of Elmira Planning Department. There is no need for approval. Dave Adams from AJH Design prepared the paperwork for the commission. He will continue to complete the construction/bidding documents.

Staff Room: Following up with project manager Bob Butcher.

CCLD Issues; Due to an upcoming retirement I have begun an initial evaluation of the position. I discussed potential candidates with senior staff. There are many considerations we are dealing with some of which include supervisory experience, people skills, library related experience is different branches/departments. I have contacted Civil Service to get an updated Senior Library Clerk promotional list and a Library Clerk list as any change made to cover the slot will result in probably two, if not more, departments or branches.

September Labor Management Meeting: Cancelled.

Homeless Library: Requested information from Homeless Library regarding their course on dealing with the homeless. The total cost for staff and board is \$859 for the year.

Fall Continuing Education Day: Have completed the schedule for November 8th. We have contacted trainers for possible classes.

Department Head Meeting: Cost estimate of 12 new security cameras with 2 analog exterior cameras connected to DVR; presented details at B & G meeting. Will be getting separate estimates for branches. Will request approval from board at September meeting.

The STLS annual meeting is in Alfred Station on October 11th. CCLD will receive Outstanding Promotional Video award for Steve's video. Also received a STEAM gaming gift card. Will be awarded as a prize in the future.

Microsolutions currently working on servers. Owen discussed Blue Cloud (circulation/patron statistical program) although robust, it is complicated, and will require training. Instruction will be forthcoming.

West Elmira leave will be covered by Lynda Page and Ahnece Hancock working extra hours. This will disrupt central and branch schedules as little as possible. Daniel Butler (STLS) is presenting Blue Cloud training on Monday, September 23, from 1-3pm.

Discussion regarding the next batch of library card applications to change designation of "male/female" to "pronoun preferred" All in attendance agreed to the change. This led to discussion of restroom designations of "Men/Women" to the gender neutral "Family Restroom A" or "Family Restroom B". I made the decision to move forward with making the restrooms gender neutral. Maggie Young will work on the signage.

Workplace violence: Kim Middaugh is working on a Workplace Violence policy. I have contacted her about a social media policy as well.

The Library of Things/Tool Lending Library: Gave adult reference policies, etc. from Oakland Public Library to be used as a template for the program. They were tasked with making corrections/suggestions in order to prepare CCLD's policy.

STLS Issues: Cost share discussion has begun. It will be further discussed at the September Director's Advisory Council meeting.

Major Patron conversations: Received praise from patrons for the performance of Maggie Young and John Van Otterloo. Dealt with questions regarding the promenade- I have to keep explaining we do not own the property but we are working with the city to solve the issues. Several compliments about the quality of programs and collection. Dealt with a few complaints regarding staff interaction with patrons.

Libraries visited: Nashville Public Library Central Branch, Centreville Regional Library (VA)

Community Presence: Attend Rotary Club of Elmira meetings; Attend Elmira City School Board meeting;
